

## The St Andrew's College Alumni Society

### Membership Subscription Form

The Society was established in 1948 to promote reunions and fellowship between alumni and to strengthen the connection between alumni and College. It also represents the interests of the alumni and to provide services to the alumni.

The Society has evolved into an important value-adding conduit between alumni, students and the College Administration, Council and Foundation. It contributes by:

- awarding scholarships to students who contribute to College life and expanding the scholarship base;
- promoting reunions and events for alumni;
- maintaining the Society's pages on the College's website;
- publishing the annual newsletter the Society Record;
- helping the Students' Club in relation to careers evenings, finding sporting coaches and other matters;
- selling College merchandise in conjunction with the Students' Club;
- acting as a custodian of the traditions and standards of St. Andrew's College; and
- promoting the involvement of the members of the Society in College affairs.

**Membership Subscriptions:** We use subscription money to fund scholarships and the activities of the Society, such as printing the annual newsletter, The Society Record, and to maintain and improve our website and email services.

**10 Year Memberships:** The Alumni Society encourages alumni to take up 10 year memberships. This makes it easier for our members by eliminating the need to remit small amounts each year and it is beneficial to the Society in that it allows us to be more financial and enables us to upgrade services.

**10 year members receive discounts on the annual dinner and merchandise purchases.**

**Scholarship Fund:** Members are encouraged to contribute to the scholarship fund. This year scholarships assisted four students attending College.

*Donations to the Society Scholarship Fund are tax deductible. A photocopy of this form is an official receipt for taxation purposes and should be retained.*
