## Choral Scholarship Application 2017 (New Students)

In 2017 St Andrew's College is offering at least 8 Choral Scholarships to College residents. These scholarships are open to both incoming and current residents (undergraduate, graduate and postgraduate).

The scholarship will normally be up to \$2,000 as remission of College fees for one year. The scholarship will be paid in the form of fee relief on successful completion of the program at the end of each semester, and may be held in conjunction with other academic, bursaries or extra-curricular scholarships in 2017.

While the successful scholars may be studying any discipline, they will undertake to form the backbone of the St Andrew's College Choral Ensemble, be available to rehearse regularly and perform at Chapel services held approximately monthly throughout the year. They will take part in the Intercollege Performing Arts Challenge and other events as needed under the direction of the College Director of Music and Principal. It is expected that the choir will sing a wide range of music, both accompanied and unaccompanied, from mediaeval and classical to contemporary repertoire. Sight reading skills and past experience in chamber ensembles or choirs will be an advantage but are not essential.

There are generally 2 scholarships in each vocal category for choral soprano, alto, tenor and bass.

Auditions will run on an as needed basis throughout second semester. Where possible we will arrange for your College interview for residency to be undertaken on the same day as the audition.

Auditions will be overseen by the Director of Music, Vice Principal and Senior Fellow.

All Applicants will undertake a short audition including the following

- scales to assess vocal range and timbre
- sight reading
- perform a song of their own choice

**Leave of absence from choral duties must be requested in writing at least 1 week in advance to the Director of Music, otherwise scholarship may be jeopardised.**

**All applicants must complete both a St Andrew's College application for College admission and an application for a choral scholarship concurrently. Auditions will take place throughout second semester 2016. These scholarships are competitive and you are encouraged to apply as early as possible.**
