## Debating/Public Speaking Scholars 2017 (Returning Students)

In 2017 St Andrew's College is offering 3 Debating/Public Speaking Scholarships to College residents. These scholarships are open to both incoming and current residents (undergraduate, graduate and postgraduate).

The scholarship will normally be up to \$1,000 as remission of College fees for one year. The scholarship will be paid in the form of fee relief on successful completion of the program at the end of each semester, and may be held in conjunction with other academic, bursaries or extra-curricular scholarships in 2017.

While the successful scholars may be studying any discipline, they will undertake to take an active leadership and performance role in the Intercollege Performing Arts Oration and/or Debating Challenge and other events as needed under the direction of the Vice Principal and Principal. It is an advantage for applicants to have previous experience in public speaking and/or debating.

Auditions will run on an as needed basis throughout second semester. Where possible we will arrange for your College interview for residency to be undertaken on the same day as the audition. Auditions will be overseen by the Vice Principal and Senior Fellow.

If possible, please provide a written reference from your debating/public speaking tutor/coach.

All applicants will undertake a short speaking audition. The audition will include one prepared piece (own choice) and a 3 minute speech on a set topic that will be sent a few days in advance of the interview.

**All applicants must complete an application for a debating/public speaking scholarship (see over). These scholarships are competitive and you are encouraged to apply as early as possible.**

**By accepting the scholarship, students make a commitment to attend ALL events as required or the scholarship may be jeopardised.**
