Drama Scholars 2017 (New students)

In 2017 St Andrew's College is offering 3 Drama Scholarships to College residents. These scholarships are open to both incoming and current residents (undergraduate, graduate and postgraduate).

The scholarship will normally be up to \$1,000 as remission of College fees for one year. The scholarship will be paid in the form of fee relief on successful completion of the program at the end of each semester, and may be held in conjunction with other academic, bursaries or extra-curricular scholarships in 2017.

While the successful scholars may be studying any discipline, they will undertake to take an active leadership and performance role in the Intercollege Performing Arts Drama Challenge and other events as needed under the direction of the Vice Principal and Principal. It is an advantage but not essential for applicants to have previous drama experience.

Auditions will run on an as needed basis throughout second semester. Where possible we will arrange for your College interview for residency to be undertaken on the same day as the audition.

All applicants will undertake a short drama audition, performing one 3 minute monologue of their own choice and take part in a dialogue that will be given to out 1 week before the audition. The dialogue will be performed with one of the audition panel.

Auditions will be overseen by the Vice Principal, Director of Advancement and Senior Fellow.

All applicants must complete both a St Andrew's College application for College admission and an application for a drama scholarship concurrently. Auditions will take place throughout second semester 2016. These scholarships are competitive and you are encouraged to apply as early as possible.

By accepting the scholarship scholars make a commitment to attend ALL rehearsals and performances as required or the scholarship may be jeopardised.
