Keyboard Accompanist Scholarship 2017 (New Students)

In 2017 St Andrew's College is offering 2 scholarships for the position of keyboard accompanist. This scholarship is open to both incoming and current residents (undergraduate, graduate and postgraduate).

The scholarship will be up to \$1,500 in remission of College fees for 1 year. The scholarship will be paid in the form of fee relief on successful completion of the program at the end of each semester, and may be held in conjunction with other academic, bursaries or extra-curricular scholarships in 2017.

Keyboard students with a strong interest in or studying accompanying are strongly encouraged to apply.

The successful applicants will participate in weekly chamber ensemble and/or jazz ensemble rehearsals. They will take part in the Intercollege Performing Arts Challenge, concerts and other events as needed under the direction of the Director of Music and Principal. There are five pianos and an organ available for use in College.

Interested applicants should reply in writing to St Andrew's College. Applications must include CV, academic record and at least one letter of recommendation. Auditions will run on an as needed basis throughout the second semester. Where possible we will arrange for your College interview for residency to be undertaken on the same day as the audition.

Auditions will be overseen by the Director of Music, Vice Principal and Senior Fellow.

All Applicants will undertake a short audition including the following

- 2 pieces of their own choice (this can be performed on piano or organ)
- Accompanists will accompany a set piece for another musician. (this music will be sent to the applicant at least 1 week in advance of their audition)
- Sight reading

Leave of absence from College duties must be requested in writing at least 1 week in advance to the Director of Music, otherwise scholarship may be jeopardised.

All Applicants must complete both a St Andrew's College application for admission and an application for the keyboard/accompanist scholarship concurrently. Auditions will take place throughout second semester 2016. These scholarships are competitive and you are encouraged to apply as early as possible.
