St Andrew's College Creative Arts Scholarships 2020

St Andrew's College offers a wide variety of creative arts scholarships. There are scholarships for both incoming and current residents (undergraduate, graduate and postgraduate), as well as for non-residential students. The scholarships are in remission of College fees for one year and paid in the form of fee relief on successful completion of the program at the end of each semester.

Individuals can hold multiple scholarships, in conjunction with other creative arts, academic, or other extra-curricular scholarships. Scholarship applicants can also apply for financial assistance in the form of bursaries. A successful audition will guarantee your residential position at College.

Creative artists (instrumentalists, singers, pipers, piano/keyboard, orators, debaters, dancers, actors, and visual artists) with a high level of performance skill and experience are strongly encouraged to apply. The successful applicants will be highly active in the creative arts within St Andrew's College, and be available to rehearse regularly with one of the College ensembles/groups, with a minimum rehearsal commitment of approximately 20 hours per semester.

It is a requirement that the scholarship holder audition for and be available to perform as part of the Intercollege Performing Arts Challenge. In addition, that they take part in concerts and other events as needed under the direction of the Director of Music and Vice Principal.
