St Andrew's College

ESTABLISHED 1867

Note to (Choral/Instrumental) applicants:

Both major music scholarships remain with the successful applicant for the life of their undergraduate degree, for as long as they are resident in College. These scholarships are therefore only open to new students when the previous recipient leaves the College. They will not be available every year. Should a major music scholarship become available, any new applicant to the College will be automatically considered. These scholarships were awarded in 2022.

If required, you will need to provide your own accompanist. If you are not from Sydney, we can recommend pianists to you.

All musical applicants must perform 2 pieces of their own choice and will be asked to undertake aural tests and sight-read a short piece.

Instrumentalists who play two instruments are strongly encouraged to audition with one piece on each instrument.

Instrumentalists who play more than two instruments are encouraged to include an additional audition piece on each instrument they play.
