We warmly invite you to join the Highlander Club, which was established in 2019 to recognise recent significant contributions to St Andrew's College and its Foundation.

The purpose of the Highlander Club is to:

- Recognise and acknowledge those who are active and passionate supporters of the College and College Foundation
- Be engaged with the College alongside other likeminded people
- Encourage members of our community to make a significant gift to a cause they support over time
- Encourage and support a wider culture of philanthropy in our community
- Increase the total philanthropic funds available to the College and its students to allow increased access to scholarships, facilities and programs.

Becoming a Highlander

All alumni, parents and friends of St Andrew's College are eligible to become Highlanders of the Highlander Club by pledging a new minimum gift of $25,000 towards a current or new St Andrew's scholarship or capital works project.

A gift of this size can fund a partial scholarship for a student for three years, half a bedroom upgrade in the Main Building Refurbishment Project or a unique element of the Junior Common Room Upgrade. You can also choose whether you wish to support Academic Programs or a Scholarship Fund, such as: The 20 Years of Undergraduate Women Scholarship; The Wayne Erickson Scholarship for Government School Students; Indigenous Scholarships or Rural & Regional Scholarships.

You may wish to support multiple areas, and your gift can be made over a number of years e.g. 5 x $5,000.

Our long-term goal is to welcome 1,000 Highlanders to secure the College for future students.
We would like to acknowledge and thank all our Highlanders for their significant contribution towards the College and its students in the following ways:

- Highlanders will receive a pair of cashmere scarves made in the College's registered tartan
- Invitations to exclusive Highlander Club Members events
- Invitations to official openings and launch events
- An invitation to the Annual Founders & Benefactors Dinner
- Verbal recognition at College Fundraising events
- Printed recognition in the College's Annual Philanthropy Report and website
- Named recognition on the Highlander Club Honour Boards displayed at the College
- Appropriate corresponding St Andrew's College Foundation Membership
