College Life

At St Andrew's College, students find more than just a place to stay; they become part of a lively community where they interact with peers from diverse backgrounds, nationalities, and beliefs, forging lasting friendships and connections. A tutorial program helps students transition successfully from school to university study methods, and workshops prepare them for working life after university. Students can also participate in activities such as debating, drama, various sports, and musical groups.

To fully benefit from the College experience, students are encouraged to contribute their talents to academic, sporting, or cultural pursuits, or a combination of these. They are also expected to embrace an atmosphere of care, mutual support, and respect, with the Students' Club (an autonomous body) playing a significant role in fostering these values.

Students are selected on the basis of:

1. Academic merit
2. Willingness to commit themselves to their studies
3. Their potential to contribute to College life.

If you need any clarification on how to complete this form, please do not hesitate to contact the College.

Please comment on the application with reference to the information given about College life. Please make reference to the applicant's suitability for community living and readiness for University:

1. Please indicate in the table below how you would rate the student in comparison with peers (tick the appropriate column):

Qualities	Excellent	Above average	Average	Below average	Not sure
Academic potential					
Application to study					
Ability to communicate					
A team player					
Good leadership skills					
Sociability					
Acceptance of others					
Consideration for others					
Common sense					
Stress tolerance					

2. Are you aware of any accommodations or help the College might need to provide to support the student's physical, emotional, and overall wellbeing?

3. Are you aware of any family background which could be relevant?

4. Are there any further comments concerning the qualities listed above?
