The Highlander Club

We warmly invite you to join The Highlander Club, established in 2019 to recognize recent significant contributions to St Andrew's College and its Foundation.

The purpose of the Highlander Club is to:

Recognize and acknowledge those who are active and passionate supporters of the College and College Foundation

Be engaged with the College alongside other likeminded people

Encourage members of our community to make a significant gift to a cause they support over time and help *Enable Access to Andrew's*

Encourage and support a wider culture of philanthropy in our community

Increase the total philanthropic funds available to the College and its students to allow increased access to scholarships, facilities and programs

Our goal is to welcome 100 Highlanders to launch the Club and achieve our goals in the Enabling Access to Andrews' Campaign.

Our long term goal is to have 1,000 Highlanders to secure the College for our future students.

Becoming a Highlander

All alumni, parents and friends of St Andrew's College are eligible to become Highlanders of the Highlander Club by pledging a new minimum gift of \$25,000 towards the current campaign which aims to enable access to Andrew's by raising money for much needed bedrooms and scholarships.

A gift of this size can fund a partial scholarship for a student for 3 years, or half a new bedroom in the Thyne Reid Link Development. Your gift can be made over a number of years e.g. 5 x \$5,000. You can also choose whether you wish to support a Scholarship Fund or the Thyne Reid Link Development, or both.

To find out all the areas that we are seeking support for and to discuss your gift, contact Hannah Atwell, Director of Advancement via: T: +61 2 9565 7303 or E: advancement@standrewscollege.edu.au
